Small Local Business (SLBE) Program INSTRUCTIONS FOR BIDDERS COMPLETING THE GOOD FAITH EFFORT SUBMITTAL

The Special Provisions for projects subject to the SLBE Program requires contractors to take affirmative steps to attract and utilize SLBE and ELBE firms.

As stated in Section VIII. 3, the information necessary to establish the bidder's adequate good faith efforts to meet the contract goal should include:

- A. The names and dates of each publication in which a request for SLBE-ELBE participation for this project was placed by the bidder. ***Advertisements must be placed no less than 10 business days prior to the bid opening.***
 1. Advertising for SLBE-ELBE participation may be placed in newspapers, trade papers and on the Internet. ***Advertising in trade and focus publications is mandatory.***
- B. The names and dates of written notices sent to the certified SLBE-ELBE firms soliciting bids for this project and the dates and methods used for following up initial solicitations to determine with certainty whether the SLBE-ELBE firms were interested. Notices must be sent no less than 10 business days prior to bid opening.
 1. Direct solicitation of SLBE-ELBE firms by using the City's approved list is required. You should also advertise. The more advertising the better. The wider the audience—***particularly in trade and focus publications***—the better a prime contractor can "get the word out" they plan to bid a project, the better potential for SLBE-ELBE firms to know about the project and to whom they should bid.
 2. Solicitations and follow-up telephone contacts should occur within reasonable time before the opening bid date to allow the subcontractor time to prepare a quote to submit to the bidder. Telephone or e-mail logs, and fax receipts may be used to corroborate follow-up contacts. Note: A single follow-up call or fax on the date the bid is due is not sufficient follow-up!

- C. The items of work which the bidder made available to SLBE-ELBE firms, including, where appropriate, any breaking down of the contract work items (including those items normally performed by the bidder with its own forces, supplies and items with a dollar value of less than ½ of 1%) into economically feasible units to facilitate SLBE-ELBE participation. It is the bidder's responsibility to demonstrate that sufficient work to meet the SLBE-ELBE goal was made available to SLBE-ELBE firms.
1. Advertisements and solicitations should state which items or portions or work are being made available. *The bidder should make as many items of work available as possible to meet the goal, including those items normally performed by the bidder with its own forces, supplies and items with a dollar value below 1/2 of 1% of the total bid.*
 2. In documenting the work made available to SLBE-ELBE firms, list the bid item number, description of the work and what portion of the item was offered, if applicable.
- D. The names, address and phone numbers of rejected SLBE-ELBE firms, the firms selected for that work, and the reasons for the bidder's choice.
1. Include Bid Tab Evaluation Sheet and quotes from **ALL SLBE-ELBE** and **Non-Certified** firms. Bid Tab Evaluation Sheet should clearly identify scope of work, detail all inclusions and exclusions with associated costs, indicate cumulative cost for scope of work for each bidder and should indicate low bidder selected.
 2. Bidders must act in good faith with interested SLBE-ELBE firms and cannot reject bids for other than legitimate business reasons.
- E. Efforts made to assist interested SLBE-ELBE firms in obtaining bonding, lines of credit or insurance, and any work which was provided to the SLBE-ELBE firms.
1. Bidders are encouraged to assist SLBE-ELBE subcontractors in the areas of bonding (if required), lines of credit, and obtaining necessary equipment, supplies and materials, and inform SLBE-ELBE firms of this assistance in their solicitations. Bidders must also make plans and specs available to interested SLBE-ELBE firms.

- F. Efforts made to assist interested SLBE-ELBE firms in obtaining necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the SLBE-ELBE subcontractor purchases or leases from the prime contractor or its affiliate.
 - 1. Include the names of agencies contacted to provide assistance in contracting, recruiting and using SLBE-ELBE firms, and evidence that the contractor utilized the City's approved list of SLBE-ELBE firms.
- G. Identify any contacts with agencies, organizations or groups used or contacted to provide assistance in contacting, recruiting and using SLBE-ELBE firms, and any responses or assistance received from them.
- H. Any additional data to support a demonstration of "good faith efforts."
 - 1. Describe any additional information which would demonstrate that adequate good faith efforts were made to meet the goal.
 - 2. The documentation to be submitted to the local agency should clearly demonstrate all efforts made by the bidder to meet the SLBE-ELBE goal.

NOTE: Be careful when referring to "See Attachments" without providing explicit information where to find the material. Clearly identifying these items as Attachment A, Attachment B, etc. is suggested. Attachments may include, but are not limited to, copies of advertisements, solicitations and logs of telephone follow-ups, e-mail or fax receipts.
